About Catex

The Catex project was introduced to the crypto ecosystem based on the “Japanese Lucky Cat” Maneki-Neko.

@catextokenofficial

@catextoken

CATEX will be the new crypto of animal lovers.

CATEX strives to become the most beloved and successful project by adhering to all market standards and surpassing all indicators. The CATEX community is robust and supportive, encouraging each other to succeed.

Thanks to the popularity of meme projects and the talented project team, Catex is a candidate to become everyone's cryptocurrency!
